

ESER 2020 Annual Scientific Meeting
September 18-19, 2020 | Brussels/BE
Preliminary Programme

Friday, September 18, 2020

Time	Lecture Room 1
08:30-10:00	Session 1: Thoracic Emergencies Moderators: TBC
08:30	Welcome to Brussels and the VUB TBC
08:35	Welcome to ESER 2020 K.H. Nieboer, Brussels/BE
08:40	Acute cardiac imaging P. Vanhoenacker, Aalst/BE
09:00	Pulmonary Embolism and beyond TBC
09:20	The acute aorta D. Henroteaux, Liege/BE
09:40	Test yourself - What have you learnt? K.H. Nieboer, Brussels/BE
10:00-10:30	Coffee Break
10:30-12:00	Session 2: Acute Neuro imaging Moderators: TBC
10:30	Acute stroke - What's new? What's important? TBC
10:50	Traumatic brain injury K. Katulska, Poznan/PL
11:10	Skull base injury J. Casselman, Brugge/BE
12:00-12:15	Break
12:15-13:15	Industry sponsored lunch symposium
13:15-13:20	Break
13:20-15:20	Session 3: Spine and MSK Moderators: TBC
13:20	Honorary Member introduction E. Dick, London/UK
13:25	Honorary Member Lecture "Pelvic injury" F. Berger, Toronto/CA
13:50	Blunt cervical injury including vascular injury G-J. Allemeersch, Brussels/BE
14:10	Thoracolumbar spine TLICS or AO classification? L. Van den Hauwe, Antwerp/BE
14:30	Non traumatic spinal emergencies TBC
14:50	MSK emergencies TBC
15:10	Test yourself - What have you learnt? TBC
15:20-15:50	Coffee Break
15:50-17:20	Session 4: Polytrauma: Interactive session Moderators: TBC
15:50	Penetrating Injury Chest M. Nummela, Helsinki/FI
16:10	Penetrating Injury Abdo R. Basilio, Chieti/IT
16:30	Upper Limb Trauma: Anatomy is the key J. Hellund, Oslo/NO
16:50	The sword of Damocles: Easily Missed in Trauma (interactive) TBC
17:10	Closing of the day K.H. Nieboer, Brussels/BE

Time	Lecture Room 2
10:00-10:30	Coffee Break
10:30-12:00	SERAU session Moderators: TBC
10:00-10:30	Coffee Break
15:50-17:20	Scientific Session 1 Moderators: tbc

Time	Workshop Room
08:45-10:00	Workshop 1: Case based fracture review F. Bensch, Helsinki/FI
10:00-10:30	Coffee Break
10:30-12:00	Workshop 2: Mass casualties F. Berger, Toronto/CA
13:35-15:00	Workshop 3: Acute abdomen F. Iacobellis, Naples/IT
10:00-10:30	Coffee Break
15:50-17:20	Workshop 4: Polytrauma TBC

Saturday, September 19, 2020

Time	Lecture Room 1
08:30-10:00	Session 5: Challenges in Trauma Moderators: TBC
08:30	Trauma imaging in children TBC
08:50	Imaging pregnant trauma patients TBC
09:10	Follow up solid organ injury V. Miele, Florence/IT
09:30	Follow up on spinal injury M. Dumba, London/UK
09:50	Test yourself - What have you learnt? TBC
10:00-10:30	Coffee Break
10:30-12:00	Session 6: AI in ER - ESER-EuSoMII Joint Session Moderators: TBC
10:30	Key note lecture: AI in ER TBC
10:55	Experiences in acute brain hemorrhage TBC
11:15	Experiences in PE detection TBC
11:35	Experiences in fracture detection TBC
12:00-12:15	Break
12:15-13:15	Industry sponsored lunch symposium
13:15-13:20	Break
13:20-14:35	Session 7: Future and controversies Moderators: TBC
13:20	My near miss and great pick ups A. Blanco Barrio, Murcia/ES
13:45	Autopsy versus CT - Which is better in trauma? S. Grabherr, Bern/CH
14:10	Dual Energy CT in ER TBC
14:35-15:00	Coffee Break
15:00-17:00	Session 8: Difficult abdominal Emergencies Moderators: TBC
15:00	The acute pelvis/acute pathology in pregnant patient V. Shah, London/UK
15:20	Pediatric abdominal pain TBC
15:40	Post operative urology S. Van Nieuwenhove, Brussels/BE
16:00	Bariatric surgery G. Kavaliuskiene, Amsterdam/NL
16:20	Prizes for scientific work and posters E. Dick, London/UK; K.H. Nieboer, Brussels/BE
16:40	Closing R. Basilio, Chieti/IT; E. Dick, London/UK; K.H. Nieboer, Brussels/BE

Time	Lecture Room 2
------	----------------

Time	Workshop Room
09:00-10:00	Workshop 5: MSK infections TBC
10:00-10:30	Coffee Break
10:30-12:00	Workshop 6: Head and Neck case based review TBC
13:20-14:50	Workshop 7: Neuro I. Gunes Tatar, Ankara/TR
10:00-10:30	Coffee Break
